FIRST WEBER  
CONCIERGE  
DESK

The Concierge Desk is pleased to provide this information to aid you in your search for home repair contractors

This is a list of contractors who provide services in your area.  
We've taken away the guess work through our screening process:

~ Interviewed    ~Recommended    ~ Reference Checked    ~ Insurance Confirmed

Check our website - [www.firstweber.com/concierge](http://www.firstweber.com/concierge)  
for savings coupons from many of these provider's.

- Or -

Make your project even easier yet!

Call us at 888-336-DESK (3375) and we will help manage  
your project and have the provider call YOU!

Then just go to our website [www.firstweber.com/concierge](http://www.firstweber.com/concierge)  
to print out that provider's coupon.

Our list does vary periodically as providers experience changes in their ability to meet the high demands of our stringent requirements.

Real Estate Professional Agent

The service providers in First Weber's Concierge program are all independent companies or contractors not affiliated with First Weber, unless otherwise identified. The participants pay a fee for maintaining the program and advertising, but are included in the program based upon their commitment to provide quality service. To be included, each participant commits to providing high quality work, and we want to hear from our clients and customers if that is not the case in any given job. First Weber and its employees and/or agents may provide referrals to the service providers in the program and/or may help with scheduling or other matters, if requested.

The service providers in First Weber's Concierge program are all independent companies or contractors not affiliated with First Weber, unless otherwise identified. The participants pay a fee for maintaining the program and advertising, but are included in the program based upon their commitment to provide quality service. To be included, each participant commits to providing high quality work, and we want to hear from our clients and customers if that is not the case in any given job. First Weber and its employees and/or agents may provide referrals to the service providers in the program and/or may help with scheduling or other matters, if requested.

The Concierge Desk believes based on experience that the service providers listed are all highly qualified and competent. However, First Weber Concierge Desk is not a guarantor of any work or services provided by any of them. This list is solely for the convenience of First Weber Concierge Desk clients and customers as they conduct their own independent search for service providers suitable to their needs.
